

Arubabank understands that this is the best time for a good deal on a new car

Everyone knows that early fall is when car dealers are anxious to clean out their inventory in anticipation of the new models for the next year. Great deals and prize winning campaigns abound, in not only the U.S., but Aruba also, and those that were are in the market for a new care shopped around this past Sunday to take advantage of a very special offer from Arubabank.

At every car dealership on the island, it was as if the fair had come to town, as there were play castles and cotton candy for the kiddies, and of course the best of toys for the grown-ups, a seemingly endless selection of vehicles. Many made the rounds of the various dealers, checking for the best offer and arranging financing with Arubabank that will give them until January 31, 2007 to make their first payment. The old slogan of "buy now; pay later" was revived for smart shoppers at Drive Motors, Garage Cordia, Garage Centraal, Jossy Motors, R.E. Yrausquin & Sons, Star Motors, Arucar, Stern GM, Topcar and Ultimate Automobiles. The Big Twin Harley Davidson dealership even had the Aruba Harley Davidson Club show up to demonstrate how one could customize their HOG and become part of the great brotherhood of Harley Drivers that usually go tooling about on a Sunday in Aruba.

R. E. Yrausqin & Sons on L.G. Smith Boulevard even had the Disney movie "Cars" playing on the big screen as part of their win a trip to Disneyworld promotion, and customers sometimes found that they were looking at a car that was looking back at them! It was all in good fun, and what better way to spend a Sunday afternoon then taking in that very special smell of a new car interior, even if only to dream. Some found with the great deals for the end of year, and the special financing offered by Arubabank, their new car dreams came true!
